

# Celebrate Christmas at 7Summits Restaurant and Bar.

v

*There's something about snow that makes a Christmas Party... Christmassy.  
But not everyone's idea of a fun festive party is to slip on a set of skis and hit the slopes.  
So that's why at Snowplanet, you can choose a Christmas party with or without the snow!  
The snowy slopes can simply form a cool backdrop while you kick back, relax and enjoy your  
Christmas meal next to a roaring fire.*
