

# SCHOOL PODIUM RESULTS

Female categories - ranked by school points from the supplied results list

**Scoring method:** For each school in each category, the highest three athlete point scores are added together. If a school has fewer than three athletes, all available scores are used. No extra tiebreak rule was supplied, so equal totals remain tied.

| Category                     | 1st                                            | 2nd                                                                                                     | 3rd                                                      |

# SCHOOL PODIUM RESULTS

Male categories - ranked by school points from the supplied results list

**Scoring method:** For each school in each category, the highest three athlete point scores are added together. If a school has fewer than three athletes, all available scores are used. Zero-point results do not increase a school total. No extra tiebreak rule was supplied, so equal totals would remain tied.

| Category                   | 1st                                            | 2nd                                              | 3rd                                              |
|----------------------------|------------------------------------------------|--------------------------------------------------|--------------------------------------------------|
| Male Ski - Years 0-2       | <b>Kings School</b><br>265 pts                 | <b>Kristin School</b><br>250 pts                 | <b>Upper Harbour Primary School</b><br>70 pts    |
| Male Ski - Years 3-4       | <b>Kings School</b><br>265 pts                 | <b>Bayfield</b><br>180 pts                       | <b>Kristin School</b><br>90 pts                  |
