EDUCATION OUTSIDE THE CLASSROOM

Life's more fun on 
SNOWPLANET™

Snowplanet provides a unique learning experience outside the classroom.

From structured sessions of skiing and snowboarding in our **Snow PE** lessons to free-flow experiences; exploring tubing, skiing or snowboarding at the students' own pace; in our **Snow FUN** sessions.

Having the opportunity to participate in Snowsports adds to all dimensions of wellbeing including development of motor skills along with opportunities to learn about challenge, perseverance, problem-solving and community physical activities - regardless of prior experience, knowledge or ability.

Snowsports offer students the ability to interact with their peers, achieve new goals and learn in a different environment, as well as value that environment. This learning can begin in school, be developed at Snowplanet and continue once the student returns to school.

At Snowplanet students can:

- Gain credits in **NCEA, Cambridge, IB Physical Education** and **Outdoor Education**
- Enrich their EOTC learning by using our highly experienced instructors
- Be rewarded on your school's next **Rewards Trip, End-of-Year Trip or Fun Day Out**
- Learn a new sport and acquire new skills by creating a **Snowsports PE Term Program**
- Join the school's ski or snowboard team and train at Snowplanet in one of our **High Performance 365 Athlete Programs**

SNOW FUN

SNOW FUN

Snowplanet's SNOW FUN products are free-flow sessions in our unique snow dome that provide an opportunity for students to develop in:

- Health and Physical Education
- Enhance all areas of Hauora
- Education Outside the Classroom
- Participation and Contribution
- Learn and develop new motor skills

1hr Winter Wonderland with Tubing

Winter Wonderland offers a perfect environment, combining creative play and thrills in a safe but exciting environment. Students can explore the Alpine village, play hide & seek or just experience the snow. For extra thrills, students are welcome to take a toboggan, or snow tube down our purpose-built tubing tracks. Tubing and tobogganing are a popular choice for a fun experience or reward for school groups.

School Winter Wonderland with Tubing is a 1hr pass with the following benefits:

- 1hr access pass to Winter Wonderland, including Tobogganing and Tubing tracks
- Includes Boots and Helmet hire (excludes clothing and glove hire)
- Snowplanet instructors are not provided
- We require adult/teacher supervision

2hr Snowsports

School Snowsports introduces students to snow sports in an adventurous and encouraging environment with experienced staff that make their first time on snow one to remember. The class is non-structured with Snowplanet Instructors on hand to supervise and encourage students, offering tips as students engage in experiential learning.

School Snowsports is a 2hr pass with the following benefits:

- 2hr lift pass including equipment hire (skis/snowboard, boots & helmet)
- Excludes clothing and glove hire
- 2hr supervision from Snowplanet instructors (approx. 1 instructor per 15 students)
- We encourage adult/teacher supervision

SNOW PE

SNOW PE

Snowplanet's Snow PE products are structured sessions on the snow that provide an opportunity for students to learn and develop their ability to ski or snowboard.

Skiing and Snowboarding can be enjoyed at any level and are an ideal form of Physical Education to develop and improve motor skills in a safe and fun environment. Careers are available for athletes, coaches, administrators, and business people alike.

Snow PE can be taken as a one-off visit or as part of a tailored programme over a number of sessions. We customise each Snow PE session for skiers and snowboarders from beginner through to advanced. Depending on level, classes can be tied to all strands and levels of the Health and Physical Education curriculum, incorporating Physical Activity, Sports Studies and Outdoor Education as key areas of learning.

1hr Snow PE

Our 1hr Snow PE class streams skiers and snowboarders into small classes based on their level and ability. Classes offer structured learning and progression with the sole aim of taking students to their next level in their chosen sport. Our instructors can customise content to the NZ curriculum.

School 1hr Snow PE is a 1hr pass with the following benefits:

- 1hr lift pass including equipment hire (skis/snowboard, boots & helmet)
- Excludes clothing and glove hire
- 1hr structured lesson from Snowplanet instructors (*approx. 1 instructor per 8 students*)
- We do not require adult/teacher supervision
- This program can be upgraded to a 4hr program with an additional 3hr unsupervised free ride.

1hr Snowlympics

Schools Snowlympics is a Team building focused program where groups will participate in various structured activities, races and games on Skis. These activities will require communication, teamwork, leadership and trust while learning new skills and challenging themselves. The team who skis together, stays together

School 1hr Snowlympics is a 1hr pass with the following benefits:

- 1hr lift pass including equipment hire (skis, boots & helmet)
- Excludes clothing and glove hire
- 1hr supervision from Snowplanet Instructors (*approx. 1 instructor per 8 students*)
- We do not require adult/teacher supervision
- This program can be added to a 1hr Snow PE session to make it a 2hr product or you can choose to add an extra 3hrs free skiing after the Snowlympics to make it a 4hr program (*additional costs apply*)
